Part-time at the Hoosier Academy – Muncie

Middle School Teaching positions;

MATH
ENGLISH
SOCIAL STUDIES
SCIENCE
ART
***WELLNESS/PHYSICAL EDUCATION**
***(This is a K thru 12th Grade position)**

School Description:

The Hoosier Academies, authorized by the Office of Charter Schools at Ball State University, combine the accountability of public education with a unique blend of classroom-based instruction and individualized online learning. The schools will operate two learning centers, one based in Indianapolis and another in Muncie that will be equipped with modern technology including electronic whiteboards and other high-tech instructional tools. The Indianapolis site will serve students in grades K-10 for the first year, with plans for expanding into grades 11 and 12. The Muncie site will serve students in grades K-8.

The Hoosier Academies will use a blended instructional model that allows students to attend the learning center two days a week as well as work from home the other three days with their learning coach. Teachers will be responsible for teaching math, the language arts, science and art in the learning center (school). Teachers also work from their home office on select days to conference with parents, facilitate virtual teaching sessions with students, and plan instruction for the learning center. Weekly professional development will also be a regular part of a teacher's week.

Hoosier Academies will use the nationally-acclaimed curriculum and academic services delivered by K12 Inc., the leading national provider of education programs to K-12 online schools. The K¹² program combines powerful technology and innovative web-based curriculum to provide individualized, one-to-one learning solutions to students.

Teacher Qualifications:

- Bachelors degree in middle school content specific area preferred
- Transition-to-teaching candidates seriously considered
- Have a current Indiana teaching license – subject specific
- Progressive, non-traditional professionals in thinking and practice
- Excellent electronic and verbal communication skills
- Must be able to travel between learning centers for teaching assignment and professional development sessions
- Experience in middle school teaming

- Individuals must have excellent organizational skills and able to work independently
- Experience and/or knowledge using multiple instructional techniques and strategies
- Individuals should be proficient using various types of technologies including Microsoft Office, Outlook and student data bases.
- Willingness to implement the K12 recommended practices for instruction, classroom management and technology.

Working Conditions:

The Hoosier Academy will be as exciting educationally for adults as it will be for students. Teachers should expect working in an environment that emphasizes teamwork and problem solving in the development of a school that utilizes an instructional model that is unfamiliar to the education community.

Application Procedure:

Go to the CareerBuilder.com website. Insert K12 into the keyword window and Indiana in the location window. Then search for Indiana positions in Indianapolis and/or Muncie for positions. Click on the appropriate position and APPLY NOW. Once your application is filed the K12 Human Resource Department will contact prospective teacher candidates and conduct first round interviews by phone. Final interviews will be conducted in person by the Head of Schools and his leadership team.
